Accommodation Reservation

We would like to inform our dear Guests that it is possible to book accommodation on the apartment house's website, <https://tahitiresort.hu/en/online-booking/> . If you have any questions or concerns regarding accommodation reservations, please call +36 21 201 0085 from Monday to Friday between 08:00 and 16:00.

On weekdays after 16:00, on holidays and at weekends, we welcome inquiries by e-mail at sales@tahitiresort.hu .

Of course, we will respond to you as soon as we can!

Thank you for your understanding!

Arrival

Our guests can have access to their apartments from 14:00. Early check-in can only be provided based on availability of the apartments.

Baby accessories and services

Our apartment house has baby accessories, in case of availability we can provide the following items: highchair (with pillow or without that), baby crib (with bedlinen or without that), baby bath, toilet seat for children, potty and children's stool.

Bathrobe

One of the amenities in our apartments is that we are providing discussed size bathrobes during guests' stay on complimentary basis.

Please be informed that if we find the bathrobe is absent, or damaged, after the guest's departure we will charge the given bankcard with HUF 20 000/ bathrobe.

Bathroom amenities

The following bathroom amenities can be found in the bathrooms: 1 bar of soap, 1 small tube of 2 in 1 shampoo and body wash, 1 small tube of body lotion and 1 small tube of conditioner.

In case extra amenity is needed please inform the staff personally or send your request to the following phone number: +36 20 470 8034.

Bedlinen

For stays longer than seven days, we will change the bed linen, which the on-site staff will coordinate with the Guests when they can do so.

If you need to change the bed linen earlier, please inform us about it! Please help our accommodation to operate in an environmentally friendly manner and request a change when necessary!

Please notify us of your request by calling +36 20 470 8034 or in person at the housekeepers!

Blanket

Blankets can be found in every bedroom's wardrobe. Extra blankets are provided on demand basis. Please inform the staff personally or send your request to the following phone number: +36 20 470 8034.

Breakfast

We would like to kindly inform you that from 1st May 2025, breakfast basket offer is available at the Tahiti Resort Apartments Hajdúszoboszló! Baskets are provided by our partner, **Duck Café & Bistro**, for our guests. The contents of each of the above baskets are sufficient for 2 people. Accordingly, the basket can only be ordered for an even number of people.

Breakfast can be requested at the same time as the reservation. The ordered breakfast basket must be paid for together with the accommodation and can only be cancelled together, in accordance with the booking conditions. In case of booking within 3 working days, ordering a breakfast basket is no longer possible.

The baskets and storage containers are the property of Duck Café and Bistro. We would like to draw the attention of our dear Guests that in case of missing or damaged baskets, we will charge a fee of 20,000 HUF / basket! If any of the storage containers are broken, please inform the staff.

We would like to ask that you hand over empty baskets and containers for products that have already been consumed to colleagues on site no later than 4:15 PM. Thank you!

For further information about the actual breakfast basket's offer and descriptions, please visit our website: <https://tahitiresort.hu/en/breakfast-selection/>

Built-in sound system in bathroom

In every apartment's bathroom there is a built-in sound system on the ceiling. Guests can connect their mobile phone to sound system with Bluetooth. The mobile should pair the device, which is called BT. The loudspeaker works only if the ceiling lamp is switched on.

CCTV

To our Guests' safety, camera surveillance system is working in-house. Cameras are located on every floor's corridor, the garage and in the courtyard.

Child policy / Extra bed policy

Baby crib for children under 3 years is provided free of charge.

Over 3-year-old child: There is no specific children rate, adult price will be charge.

Complaint and comments

If there is any complaint or comments which Guests would like to share with the staff, we appreciate if it is announced at the time of your stay on the following phone number: +36 21 201 0085.

Damages

Housekeeping staff checks the apartments after every guest's departure. In case of damages, the guests will be informed after departure about the damage and the cost of the damage, which must be paid via bank transfer.

Guest is liable for all the damages caused to Service Provider or third person by the Guest, his/her partner or other person under Guest's responsibility. The Guest assumes responsibility for any damage caused to the Service Provider and is obliged to pay the full cost thereof (e.g. extra cleaning charge: gross price goes from HUF 20 000).

In case the guest make purposive damage in the service provider's assets (as equipment, furniture, devices... ect), the service provider has the right to make a report to the police, which may result in criminal proceedings.

Departure

Check-out time is until 10:00 am. Late check-out can only be provided based on availability of the apartments. In main season (between 15th June and 31st August) late check-out is available for extra fee.

Elevator

In the apartment house one elevator is operating. Guests are kindly informed that the elevator cannot be used by children (under 10 years) without adult supervision.

In case of power failure, the elevator stops immediately, and the car's emergency lighting is switched on automatically. In such or similar cases, use the alarm button (small bell) and the person on duty (0-24) will start releasing you immediately. Be calm (there is no danger) and follow the instructions of the elevator operator on duty.

You will find additional rules and operating instructions inside the elevator's car.

Please do not use the lift in an emergency or in the event of a fire alarm!

Emergency box

Guests can find an emergency box on the wall in the kitchen. It contains the following items:

- Sterile fastening bandage (10 cm x 5m): 4 pcs
- Sterile fastening bandage (5 cm x 5 m): 2 pcs
- Sterile folded mull (50 cm x 80 cm): 3 pcs
- Sterile bubble sheet (6 cm x 6 cm / 100 sheets): 2 pcs
- Cut mull individually wrapped (10 cm x 5 m): 4 pcs
- Adhesive patch (1.25 cm x 5 m): 1 pc
- Triangular cloth: 2 pcs
- Foil gloves 1 pair: 1 pc
- Adhesive patch (6 cm x 10 cm): 2 pcs
- Safety pin: 4 pcs
- Scissors: 1 pc
- Disinfectant solution (30 ml): 1 pc
- Hand sanitizer sheet: 4 pcs
- Hygienic face mask (for ventilation): 1 pc
- Rubber surgical mouth mask: 1 pc
- First aid in pictures: 1 pc
- Table of contents: 1 pc

The housekeeping staff has additional bandage and sanitizer, please contact them for these items.

Fire and emergency

There is an escape route drawn on the inside of the apartment's front door. The full width of corridors (escape routes) and exits must always be left clear.

In the event of a fire, the smoke detectors will trigger the fire alarm immediately. If the fire alarm does not start for some reason, an emergency button and a fire extinguisher will be found in the corridors.

In accordance with the regulations, the emergency lighting in the stairwell and public areas illuminates the escape route in the event of a power failure.

Please do not use the elevator in case of fire or emergency!

Furnishing

We would like to draw your attention to the correct usage of the fixtures. The fixtures and setting (for example towels, blankets, bedlinen...etc.) are forbidden to remove.

It is not allowed to refurbish the apartments.

It is forbidden to bring and store flammable, explosive substances and vehicles (bicycle, motorcycle...etc.) in the apartments.

Upon arrival, the Guests acknowledge by signing the check-in form that they have received the equipment of the apartment they have booked in a complete and working condition.

They are obliged to compensate the staff of the Apartmenthouse for any material damage resulting from the improper use of the jacuzzi and other equipment.

If a defect is detected during the stay, guests must inform the staff in case they notice any failure in the apartment. Afterwards we are not able to accept any complaint.

Gift Voucher

Guests can buy gift voucher on Tahiti Resort Apartments Hajdúszoboszló's website. (<https://tahitiresort.hu/en/online-voucher-purchasing/>)

Hairdryer

Hairdryers are found in every apartment's bathroom.

Heating and cooling system

Guests can control the heating and cooling system with the thermostats on the wall and with the remote control of the air-conditioning. According to the season the air-conditioning devices are set up to heating or cooling.

This set up must be the same on the thermostats and the remote control of the air-conditioning.

During summer, on hot days, it is not recommended (because of health reasons) to set up air-conditioning devices more than 6 Celsius degrees difference between the outdoor and the indoor temperature.

Hospitality

We would like to kindly inform you that from 1st May 2025, breakfast basket offer is available at the Tahiti Resort Apartments Hajdúszoboszló! For further information please visit Breakfast section in the Guest Directory.

Our apartment house does not offer lunch or dinner options. Kitchens in our apartments are well equipped to cook or warm up the ordered food.

We are pleased to inform that TESCO has delivery service to Hajdúszoboszló, with that you can easily order whatever you would like to buy. <https://bevasarlas.tesco.hu/groceries/en-GB>

In case you would like to get some recommendations of restaurants or supermarkets, we are happy to help you.

Housekeeping service

Housekeeping staff (at least one person) works every day between 08:00 AM and 04:30 PM. To provide our guests a calm atmosphere to relax and avoid any unnecessary contact with our staff, our apartment house provides housekeeping service only every second day or upon request for every guest.

For stays longer than seven days, towels, robes and bed linen are changed, which the on-site staff will coordinate with the Guests when they are able to do.

Guests can inform the staff about their request to make-up the apartment by using the door hangers.

In case of a longer stay (more than four nights), the staff performs a full major housekeeping service (including a change of bed linen), time of the service will be agreed in advance with the guests to ensure an undisturbed rest.

If bedlinen or towel change would like to be required, please contact housekeeping staff on phone (+36 20 470 8034) or personally.

After 4:30 PM cleaning equipment as mop and broom can be found on the ground floor next to the back door behind the grey sliding door.

Internet

Every apartment has their own router and broadband internet connection. We would like to ask our Guests to use the internet network which is dedicated to the apartment. The WIFI codes are found on the key cards.

Iron

In the apartment house there is one iron and one ironing board for the guests, which would be provided upon request. Please inform the staff personally or send your request to the following phone number: +36 20 470 8034.

Key cards

The sterilized apartment key cards will wait for the guests inside their apartment on the dining table. The electric lock is open for 5 seconds after the guest typed the codes or touched key panel with the key card. After the right code is given or key card is touched to the key panel, door should be pulled a little bit and then pushed.

In case the apartments' key cards would be lost, the guests must inform the staff immediately on the following phone number: +36 21 201 0085, and Service Provider is also entitled to enforce its claim for compensation for the lost key cards.

Lost and found

If guest lost their belongings, please contact the staff on phone (+36 20 470 8034) or personally.

The lost and found belongings are stored for maximum one month. If it is required the service provider can send back the item to the guest via post, the post cost needs to be paid by the guest.

Night resting period

Between 22:00 and 08:00 everyone must be guaranteed the right to a peaceful rest, so we urge our guests to refrain from loud activities during the period mentioned above.

Regardless of the time limit, if someone makes an unreasonable noise in the accommodation that disturbs the peace of others, it will result in an infringement report.

Parking

At least one parking space is guaranteed to every apartment. In case the capacity of the apartment house allows, more parking spaces can be provided to one apartment.

Vehicles (maximum 2,8 meters high) can be parked in the inner court (4 parking spaces), in the garage (2 parking spaces) or in front of the apartment house (2 parking spaces). We provide the parking spaces for our Guests on complimentary basis.

The garage is equipped with electric car charger. The electric car charger can be used only if it is required at the time of the booking or before arrival. The electric wall plugs in the courtyard and the garage have not been developed for electric car charging, therefore electric car charging is only possible inside the garage by using the electric car charger.

In the area of the driveway and the parking lot, the current traffic rules apply. The speed limit is 5 km / h. It is not possible to carry out major installation, maintenance, or cleaning of the vehicle in the parking area. Minor repairs and maintenance are allowed if the cleanliness of the area is not endangered.

Pet friendly accommodation

Our apartment house also welcomes small pets like cats or smaller size dogs. We can only accept pets based on prior consultation (maximum one pet / apartment) for extra cleaning fee of HUF 7 000 / pet / night. Please think about their sleeping place (dog or cat bed) and bring it with you.

Pillows

Extra pillows are provided on demand basis. Please inform the staff personally or send your request to the following phone number: +36 20 470 8034.

Programs

Current events and programs in Hajdúszoboszló and its neighbourhood can be found on the television on the ground floor.

Reception

There is no reception desk in the apartment house. In case of any requirement please contact us on the following phone number: +36 20 470 8034.

Recyclable garbage collection

All our Guests are politely asked to collect the paper, plastic PET bottles, flacons, associated beverage cartons (tetra pack) and aluminium beverage cans in the yellow dustbin in the courtyard or to leave them under the kitchen sink next to the normal trash can.

Please leave the glass bottles under the kitchen sink next to the normal trash can, staff is taking care of the recycling of the bottles.

Safe boxes

The apartments' bedrooms have small safe built-in the wardrobe. The Service provider is not responsible for the property brought into the apartment and placed in the safe there. There is a user guide next to every safe. If there is a problem with the safe, please contact us on +36 21 201 0085.

Safe relaxation

One of our main missions is that our guests feel safe during their stay. Our guests' health is very important for us; therefore, the establishment's check-in and check-out system has been developed to minimize personal contact as much as possible between the staff and the guests.

In our apartment house there is no reception desk.

24 hours before arrival guests receive a unique code, which can be used to enter the house and the apartment. The sterilized apartment key cards will wait for the guests inside their apartment. After that the guests can use the apartment key cards and the code as well during their stay. Before departure apartment keys must be left inside the apartment.

Not only arrival and departure are contactless, but payment as well. All payment will be done before arrival via credit card or bank transfer. This way guests do not have to contact the staff personally, therefore they save time as they do not have to wait in the line at the reception when checking in or out.

All apartments are disinfected before guests' arrival.

To provide our guests a calm atmosphere to relax and avoid any unnecessary contact with our staff, our apartment house provides housekeeping service only on every second day or upon request. Guests can inform the staff about their request to make-up the apartment by using the door hangers.

Sauna

In the courtyard we have a combined sauna, which you can use on complimentary basis every day between 09:00 AM and 5:30 PM. You will find the sauna sheets next to the beach towels in the wardrobes.

Smoking

Smoking is only allowed in the designated areas. Designated area is in the parking area in the inner courtyard, it has been developed considering the legal regulations.

Smoking is not allowed inside the apartment house (in closed places). Smoking is allowed on the balconies of the apartments.

In case of breaching the prohibition for smoking, and causing damage of furnishings, fixtures and fittings of the building, Guest is obliged to pay compensation before leaving. In case of smoking in apartment, the smoke alarm will instantly activate alarming the security service and the disaster management; in case of erroneous fire, the callout charge invoiced by the disaster management (minimum HUF 100 000 per occasion) will be charged to Guest, and an additional cleaning charge (HUF 20 000 one time) will also be charged when Guest leaves the accommodation establishment.

Smoking is permitted in the designated smoking areas and is strictly forbidden in any other places.

Swimming pool

In the courtyard of the apartment house, there is a 3 * 6 meters heated swimming pool with a counter-current protection device, which is open from late spring to early autumn.

The opening hours of the pool may vary depending on the weather and occupancy, if you need further information, please contact us with confidence.

We kindly ask our dear guests, the pool is used exclusively on the days and times specified in advance by our colleagues. There is a camera in the courtyard. When booking, the General terms and conditions are accepted, which confirms that you have read the rules. If the rules are deliberately not followed, it may result in a ban.

Usage rules of swimming pool:

Television

The apartments have Philips TVs in the living room and in the bedrooms. You will find the user manual for the remote control in either the living room or bedroom drawer (there is only one button difference on the remote controls).

Televisions have an Internet connection (SMART TVs), so Guests can use the online movie stream service. Guests can log in with their own subscription. The resort does not have a subscription to these providers.

Towels

White towels in the bathrooms should be used in the apartment, and they are changed upon request. We would like to reduce our impact on environment by saving water and energy in our laundry facilities, so please require the change of the towels in case it is needed. If towels change would like to be required, please leave them on the floor and request cleaning service or please contact housekeeping staff on phone (+36 20 470 8034) or personally.

Yellow towels are beach towels, which can be found in the bedrooms' wardrobe next to the sauna sheets. They will also be changed upon request.

Usage of the jacuzzies

The following apartments have their own balcony with a private jacuzzi: Apartment number 1, 2, 3, 4, 6.

Guests can take care of the good quality of the jacuzzi in case the following rules are compiled:

- Taking a shower is recommended before using the jacuzzi.
- Massage function on the jacuzzi can be started by pushing the button called „Pump”. After you used the jacuzzi, it is recommended to push
- The button of “Pump” twice, in that case it will automatically do a cleaning program, and it keeps the jacuzzi clean longer.

Housekeeping staff have to check the quality of water at least every 2 days, please provide them the possibility to check it. If they see that the water needs to be changed, we will inform you, and we will discuss when the change would be possible for them. (They would do it while you are out of the apartment because it takes approximately 2 hours).

Please be informed that in case the massage function is turned on in the jacuzzi, you will not be able to control the nozzles.

Rules of jacuzzi's usage
